NEW CAR RAFFLE TICKETS

Pick up that phone and make those calls...TODAY!!!!!!! Our time is running short on raffle ticket sales .It's time to take money out of the stock market and put it in raffle tickets. The drawing is one week from Thursday so here is the deal. If you have tickets that you won't sell , I need your tickets back today. If you have tickets you know you can sell, keep them and bring me the money by next Wednesday's meeting(10/15)---But I don't want bunches of unsold tickets back the day before the raffle.Be sure and get your table for the Steak Out Event this week--looks like it will be better than ever this year!!

Thanks to all who have been hard at work and thanks to those who get on the ball and make things happen today. I appreciate everyone's hard work this year.....

John Willis
