**2009 NIGERIAN POLIO
IMMUNIZATION PLUS
DAYS and ROTARY DISTRICT
9120 CONFERENCE**

**May 2 - May 12, 2009
Kano, Kaduna and Zaira, Nigeria
Amsterdam, The Netherlands**

"The fight against polio is in its last phase, and the challenge to eradicate the disease has become much more tactical. Now there are only a few weeks between the time a government establishes the date of a National Immunization Day and the date itself. If you have ever wanted to participate in a polio eradication trip, this is the trip and NOW is the time. As a result, we expect that this might be one of the last chances you have to join a group program to eradicate polio. If you have ever wanted to participate in a polio eradication trip, this is the trip and NOW is the time.

In addition to spending three days engaged in the polio eradication effort, we will enjoy the unique experience of attending the District 9120 Rotary Conference in Zaira.

We have a limited number of places available on this trip. Based upon the e-mail we sent out earlier this month, we already have about 12 people signed up. Therefore, if you would like to be a part of this effort, we strongly suggest you take immediate action. We expect this trip to be sold out by the week of March 30, 2009.

Thank you and best regards,

*Bradford R. Howard
Rotary District 5170
Governor, 2002-2003"*
