District Governor

Brad is a 14 year resident of West Texas. He was born in Olney, Illinois and grew up in the oil patch of the Illinois Basin. Brad met his wife Kara in Florida and they were married on January 21, 1989.

Opportunity in the Permian Basin brought the couple to Andrews, Texas in 1992 where they purchased Caprock Oil & Gas, an independent oil and gas producer.

They became active in Rotary shortly after moving to Andrews, where Brad served as Club President and as an Assistant District Governor in District 5730. Both have held numerous committee assignments and are Paul Harris Fellows and Benefactors. Brad has been an active volunteer in the region having served six years on the Andrews City Council and on numerous boards and committees. The couple moved its residence to Midland, Texas in 2004 and are presently members of the Midland Daybreak Rotary Club.

Dear fellow Odessa Rotarians,

President Pam has asked that we consider additional music opportunities for the coming year. Therefore, I would like to extend an invitation to you to recommend various musical groups who you think would feel comfortable presenting a short musical treat for our club. I am sure there are many options and considerations for presentations but, I am pretty sure that our club would be appreciative and flexible in our schedules. If you would like to participate in some manner, just let me know. Thanks,

Larry Johnson
