Would you like to get more involved in YOUR Rotary Club?

There are so many opportunities for participation in your Rotary Club. You can do as much or as little as you want, but it is so important to do something!

As we start a new Rotary year, please take a look at the many avenues of service which could use your help. Over the next few weeks, there will be sign-up sheets going around where you can volunteer to be on a committee for your favorite avenue of service.

Please remember this is your Rotary Club and without you, we cannot make the difference in our community and world that we, as Rotarians, believe is so important.

Do you know someone who exemplifies Service Above Self?
