Brad met his wife Kara in Florida and they were married on January 21, 1989. Opportunity in the Permian Basin brought the couple to Andrews, Texas in 1992 where they purchased Caprock Oil & Gas, an independent oil and gas producer. They became active in Rotary shortly after moving to Andrews, where Brad served as Club President and as an Assistant District Governor in District 5730. Both have held numerous committee assignments and are Paul Harris Fellows and Benefactors. Brad has been an active volunteer in the region having served six years on the Andrews City Council and on numerous boards and committees.
